Residential Building Requirements

This document is not meant to modify any Federal or State laws or City Ordinances. It is intended to be informative and to be used as a guideline. Where circumstances of a particular job differ from these procedures, the decision of the Building Department will prevail.

Building Permit

Before a building permit will be approved, all plans and documents related to the permit application must be approved by the Building Department and the Flood Plain Administrator. Approved permits must be picked up at the City Hall prior to work beginning and retained on site during construction. Permit becomes void if construction does not commence within 90 days from permit issuance.

A permit fee must be paid upon submission of the building permit application for all commercial construction. All permit fees are non-refundable.

All Contactors performing work within the City jurisdiction must be registered with the City and provide proof of liability insurance.

Plan Review

The City will verify submittal documents are complete and forward to Bureau Veritas for Plan Review. Bureau Veritas will contact the applicant directly if additional information and/or documents are required and to discuss any noncompliance or deviation from City zoning and adopted Code requirements. You may contact Bureau Veritas' Plano Plan Review Department for the status of your permit at (469) 241-1834/toll free (800) 906-7199.

Inspections

All inspection requests received by 5:00 p.m. Monday – Friday will be performed the next business day. Inspections related to building construction must be called into Bureau Veritas at (877) 837-8775 or faxed to (877) 837-8859. Inspection requests can also be emailed to: inspectionstx@us.bureauveritas.com

Permit packet that includes the approved plans and documents and all inspection tickets must be on site at the time of inspection.

A Certificate of Occupancy must be approved prior to occupancy of building.

Construction Site

A temporary property address must be posted at the front of the lot and readable from the street. Permanent street numbers must be displayed before final inspection.

A portable sanitary restroom for your workers MUST be on your property until the final inspections are approved.

A trash receptacle constructed to prevent construction trash from blowing or scattering from the jobsite/property shall be maintained until job completion. NO construction material, debris, or sanitary restroom facility shall be placed or stored in the public right-of-way or drainage areas at any time.

Erosion control must be in place prior to the first inspection.
