Application for Winter Sewer Averaging
(Residential Only)

It's that time of year! You can sign up for the Winter Sewer Averaging Program. Winter Sewer Averaging is calculated on the monthly water consumption for the months of November, December, and January. This calculation is done once a year in February and is valid for the following billing periods of March-February. Around March 1st of each calendar year, it is the responsibility of the customer to sign up or re-sign up for this program. **A new application must be signed each year** if you would like to be enrolled in this program. To save expenses these applications may not be mailed out in the coming years, but will always be available on the City website (www.cityofbandera.org) and at City Hall. If you would like to enroll into the program, please fill out this application and return it to City Hall by **March 21st 2017**.

Form must be filled out completely, otherwise application is not valid.

Please print clearly.
